

Welcome!

We have been serving delicious food & drinks since 2010.

***Our food is made fresh and from scratch
using quality ingredients.***

We bake our breads fresh every morning using our own natural yeast.

***We make our own pasta, stocks for sauces, blend of spices for our curry, jam, ice
creams etc.***

There is passion for quality in our cooking and we hope you can taste that in our food.

***The wines we serve are organic and sourced from passionate and dedicated
winemakers. We also offer some lovely craft beers, ciders and home-made cordials.***

***We have Gluten Free and Vegetarian options and
we are here to help with any dietary needs you may have. Please communicate your
